Do's and Don'ts of Workers' Compensation

**Worker's Compensation Division's
Small Business Ombudsman Office**

Presenter: Julie Stratton

Julie Stratton is a Small Business Ombudsman for workers' compensation with the Oregon Department of Consumer and Business Services. She helps employers understand workers compensation requirements, premium audits, classification codes, and independent contractor rules. Julie provides outreach and one on one guidance across Oregon to make the system easier for small businesses. She cares about clear communication and meeting people where they are.
