Hosted by Oregon APEX Accelerators

Presented by Alex Stutzman, Small Business Technical Advisor, GSA Regions 8 & 10

Join us for a training session designed to help small businesses navigate and succeed in the federal marketplace. This session will provide an in-depth overview of the U.S. General Services Administration (GSA), including:

- Understanding the GSA's mission and structure
- How to access and compete for federal contract opportunities
- Where to find forecasts of upcoming federal contracting needs
- Key small business programs and support resources

Whether you're just getting started in federal contracting or aiming to broaden your current opportunities, this training delivers practical guidance directly from a GSA expert. Take advantage of this chance to build your knowledge, access key resources, and position your business for success in the federal marketplace.

This class is FREE but you must register to attend
