Kingsley Field 173rd Fighter Wing Industry Day

How to do Business With Kingsley Field

May 12, 2026

Klamath Falls Community College

Kingsley Field is located four miles southeast of Klamath Falls in south central Oregon's high desert country. Midway between

Portland and San Francisco, the location makes it an important link for west coast military bases.

Kingsley field is home to the 173rd Fighter Wing, activated on June

27, 1996. The 173rd Fighter Wing is responsible for training the best air-to-air combat pilots in the world.

Also, as part of the Air National guard, the wing serves the State of Oregon and our nation in times of peace and war.

Oregon APEX Accelerator is your host for this event. The goal for the day is to hear from Federal/DOW, State and Local/City of Klamath Falls, buyers and prime contractors to learn about this unique opportunity to contract with Kingsley Field.
