Contracting with the State of Oregon using OregonBuys involves registering as a vendor, identifying opportunities, and submitting bids or proposals through the OregonBuys system.

OregonBuys is the State of Oregon's eProcurement system, used for:

- Posting procurement opportunities
- Managing solicitations and contracts
- Allowing vendors to register and submit bids online

Types of Solicitations:

- RFP (Request for Proposal): Best value, complex services/products.
- ITB (Invitation to Bid): Lowest price wins, straightforward purchases.
- RFQ (Request for Quote): Informal or simplified purchases.
