**Are you curious about how to get government contracts?**

Learning to write proposals is a key step.

Join us on Jan 29<sup>th</sup> at CCC SBDC 10am-12pm for an engaging training on government proposal writing. Let's make it easier for you to get government contracts.

**In this training we will:**

- Share your stories of proposal writing.
- Go or No Go- What's the deadline? What's the scope of work? Who is the contact?
- Review the different pieces of the proposal.
- Create a template for your successful proposal.

We will be joined by a contracting officer to answer your questions and provide you with tips.

Facilitated by Nada Maise, Oregon APEX Accelerator  
Procurement Counselor
