

# SBA's New Small Business Search

Making Sure your Small Business Profile Gets Seen by Federal Buyers

**When: Thursday August 28th 10:00-11:30 AM PST**

**Where: Virtual**

SBA's Small Business Search is a database that is used by most federal contracting professionals when they are conducting their market research. SBA recently updated DSBS to the new and modernized **Small Business Search**. Join representatives from the Oregon APEX Accelerator as well as SBA's Portland District to learn more about this change and to make sure your small business search profile is complete so federal buyers are able to find you!

Training Topics include

- What is the SB Search Site and how do federal agencies use it
- Recent updates and navigating the site
- Accessing the SB Search Site and how to update your profile
- Key fields and why they are important to federal buyers

Federal agencies routinely conduct market research to identify small and certified small businesses for contract and set aside opportunities. This webinar will teach your small business how to optimize your small business search profile so that federal agencies may find you when they have an upcoming opportunity!
